5. Report from local Councillor:

There will be a full council meeting on Monday. The main topic will be the Stirling Local Development Plan. This will not affect Strathfillan as our Local Development Plans are controlled through the National Park.

TACTRAN has set aside £30,000 for the development of the Tyndrum to Crianlarich Cycleway.

We raised the toilet cleaning issue and expressed our dismay at the mishandling of the issue by SC.

6. Dionne Gallacher, explained her new role as a Community Link Officer in which she will be assisted by Theresa Elliot. She replaces Helen Geddes and Jean Cowie; who has been carrying out Helen's role in the interim period. A key part of the role will be the empowerment of local communities, John R. explained the history of local service provision : **JR will circulate the reports.**

7. Report from NPA Representative, Billy Ronald

Billy reported that the Park will not sanction the placement of a lifebelt at the Falls of Falloch. The Park has a dedicated officer dealing with the gold panning issue. Nothing else to report.
